Respected Madam,

Applicant: Principal, Municipal School No.1 & 2 Panchgani.

Respected Madam,

We are grateful for your support to our schools for enhancing their education from time to time.

With your help we started semi English pattern in our school from year 2012-2013. Continuously we upgraded one standard every year for Semi-English, this year we reached at standard 6th level.

Now our students of standard 3rd to 6th can communicate in English with each other; they have improved their confidence to speak in English. Twice a week, assembly in English language is conducted by students, telling short stories in English with skits and information/news in English. Some of our students played Tabla and practice Karate. We train Students pronunciation with respect to pronunciation, articulation and accent and also Tongue-twisters. Last year our students participated at Taluka Level Krida Spardha and Balanand Melawa, our school won Champion Trophy and getting first Rank.

This year we already sent letter to the Department for 8th Standard permission and Municipal Authorities instructed us to start 8th Standard class from this academic year 2017-2018. We started 8th Standard class and in 8th Standard Class there are 25 Girls and 10 Boys enrolled.

I am taking parents – teacher’s meeting and discussing issues regarding student’s progress and contribution of parents in student’s education and development. We started School-bus for Student’s came from Sidharthnagar Slum area, Parents are paid Rs.150/- each for the same. The Auditorium Hall

constructions and all required things are completed and its working starts smoothly. Our Teachers use this Auditorium Hall to showing Students, day to Activities, Pictures, Videos and other information from the Internet. We changed this year School Uniform on the request of Parents. We already given order to stitch the said Uniform to M/s. Snehal Collections. They Charged Rs. 700/- for two pairs of School Uniform. For that we required extra Rs.70,000/- to fulfil the same. We plan to raise that fund from Donors. Two persons agreed to contribute Rs.10,000/- each for the same. I am ready to provide any further details as required by MMF in this regards.

MMF had provide us 5 Sewing Machines in 2008, from that time it used for girl students, but now those machines required repairing and servicing. There are two Volunteers of ‘Vanasthali Sanstha’ ready to teach stitching to the students from this year.

Due to your help, overall our school performance enhanced and due to those nearly 7 English Medium Children’s enrolled in our school and other 17 students also enrolled in other classes other than standard First. Last year MMF provides Sweaters to all students, but we required Sweaters for the new enrolled students. I will send the Sizes of Sweaters and Karate Uniforms before 15th of this month, as per your instructions. Size of School Uniforms for 175 Students along with order placed to the Vendor M/s. Snehal Collections, Mrs. Chikne Mob. No.7350625378. **I am ready to provide any further details as required by MMF in this regards.**

Tabala and Karate Classes are conducted daily in our School, for Karate we required 75 Uniforms for taking part in Competition and Examination. **I will send progress of Karate classes, Tabala Classes, Sewing Machine Class and progress of Science Lab in weekly reports.**
