Mammography Camp at Police Hospital Shivajinagar (Pune)

After the inauguration of the police hospital last year, we organised a three day Mammography camp at the facility from 29th March to 1st April 2017. We conducted a screening for the police staff and their family members. 163 women were screened and 60 cases were detected. The next camp is scheduled on 18th and 19th May 2017. We would like to thank Dr. Koppiker and Laleh Bhusheri for helping us organise the same.

Medical

Medical Camp at Lokmangal Foundation

On 12th April 2017, MMF held its fifth medical camp for the children from Lokamangal Foundation Tadiwal Road (Pune). A total of 94 medical check-ups were conducted on these children who were aged between 5 months - 11 years. This activity was executed with the able support from KEM Hospital (pediatrics), HV Desai (eye checkup), Bharati Hospital (dental) and Cochler Pune (audiology). The doctors at the camp were quite active and interacted with the parents of the children about health related issues. In total we referred 17 cases under bilateral wax, tongue tie, left ear discharge, quit and refraction. We will support their treatment.

Dr.Koppikar's visit to Ratnagiri

In addition to the mammography camp, held in the month of March 2017, Dr. Koppikar re-visited Ratnagiri on 15th April 2017. During the visit we scanned 30 women. Amongst these women, one was also scanned for Fine Middle aspiration cytology (FMAS). Post the activity we referred two cases to Pune and two cases for spot magnification. We will be partly supporting their treatment.

Cerebal Palsy camp at Ratnagiri & Chiplun

Our mission Cerebral Palsy in Satara has assessed over 507 patients since November 2015. Followed by setting up of 4 rehabilitation centers in and around Satara district. On observation of our work and success the DHO & CEO of Ratnagiri invited MMF for the assessment of 250 Cerebral Palsy patients in Ratnagiri and Chiplun.
