# Concern For Mental Health, UK – Training In Mental Health

DATE  
26<sup>TH</sup> TO 28<sup>TH</sup> FEBRUARY & 1<sup>ST</sup> & 2<sup>ND</sup> MARCH

AT  
SATARA & PUNE

**At Satara:** From 26th February to 28th February Mukul Madhav Foundation, Finolex Pipes, Sassoon General Hospital alongside Concern for Mental Health, UK took a step towards improving Mental Health in India by organizing a 2 day workshop for Primary Health Care Physicians, Psychologists, Nurses, Special Teachers, Health Visitors, Primary school teachers, mobile teachers and other Mental Health Care Professionals.

Concern for Mental Health is a U.K. registered charity that offers training for the treatment of Mental Illness by implementing World Health Organization's (WHO) Mental Health Gap Protocols and this is the first time that they have implemented the renowned training methods in Rural areas.

This workshop was graced by dignitaries from ZP, Satara and the Divisional Commissioner of Pune and was hosted by the team comprised of Consultant Psychiatrists Dr. Ghazala Afzal, Dr. Gordana Milavic, Dr. Neil Brener, Dr. Giovanni Giaroli with the aim to enhance the skills in treating psychiatric illnesses.

We were successful in assessing 28 children who have been diagnosed with issues in Mental Health and they would be provided with further counselling & care necessary for their healthy development.

**At Pune:** For the last 2 years, we have been organizing training in Mental Health in collaboration with CFMH team. The training was held for 2 days i.e 1st and 2nd March, 2018 at Pune with the 1st day at Sassoon General Hospital. The UK team also got an opportunity to meet patients with issues in Mental Health at Sassoon General Hospital as an opportunity to experience the live patients and understand the concept. On the 2nd day, at Symbiosis College of Distance Learning, attendees were explained about mental illness and its early detection, addiction and various others topics. Certifications were provided to the trainees at the end of the end of the training.

## A Special Report on Mast.Surve Smit

DATE

FEBRUARY 2018

Mast Smit, a Special child (ADHD) now studying in class VII suffered from lack of attention span and poor academic performance. He was diagnosed by us in 2013 and since then, his class teacher Miss Aarti Mulye and our special Educator for Differently abled Children, Miss Pallavi (2015), is working towards his counseling and play therapy. He has also been undergoing online speech therapy sessions with therapists from Bharti Vidyapeeth on a regular basis for two years. Our efforts have led into an improvement in his attention span, fluent conversation, increased confidence level, improved appearance and academic performance. He is also an active participant in classroom discussions and other extra-curricular activities
