Dear Ritu and Prakash,

We are pleased to inform you that one more star of the Pediatric Intensive Care Unit Fellowship Programme Dr. Neeraj Shaha has cleared the final examination last month held at Sir Gangaram Hospital, New Delhi. Many thanks for sponsoring him.

Right from the beginning you have very kindly supported the fellowship programme which has now taken its proper shape in terms of academic inputs and "hands on" experience. We are very happy to inform you that students who have cleared the PICU national examination from our unit are practicing as Pediatric Intensivists not only in Pune but many have gone back to their native places. This is the MMF "extended family". You already have their details, but please feel free to use their services for any creative medical programmes that you plan to do.

Looking forward to continued support and blessings and with best personal regards,

DR. ANAND PANDIT, MD, FRCPCH (UK)
Honorary Professor & Director
