Pune,

Dear Sir,

Sahyadri Speciality Hospital, Deccan Gymkhana, Pune. This is a super-specialty hospital having state of the art equipments and best of facilities. They have excellent Cardiac and Neurosurgery setup and carry out these operations at a very affordable rates.

Many poor and needy cardiac patients were referred to the Hospital for various heart surgeries, which were beyond their financial means. However, with the help of Charitable Trusts like yours, we are getting lot of donations and were able to treat these patients almost free. All the credit of treating these patients free goes to your trust, as well as the Trustees and Officials of your Trust.

Sir, your Trust has helped thousands of patient's upto now and I sincerely request you to kindly continue your charity to patients through Sahyadri Speciality Hospital so that we will be able to help many a poor and needy patients.

You are also requested kindly send all your patients for all types of heart procedure/surgeries to this hospital we assure you maximum concession and very best services will be given to your patients at all the times, specially we do more concessional work for your poor patients

Any information you need kindly call me on my Cell No: 9822001643

Once again, I express my gratitude to your Trust as well as all its officials and executives.

Thanking you again and looking forward for your generous help and support.

Yours faithfully,
