

## Finolex Pipes and Gulf Oil Lubricants collaborate with Pune Police to commemorate Road Safety Week

**Mumbai/Pune, Jan 19:** In their mission to create road safety awareness and implement measures to reduce accidents, Mukul Madhav Foundation, the strategic CSR partner of Finolex Pipes, along with Gulf Oil Lubricants India Ltd (GOLIL), with the cooperation of Pune Police and Traffic Police Department, Pune, today organized a 36km Road Safety Rally to commemorate 'Road Safety Week'.

The rally was flagged off by dignitaries including Ms. Rashmi Shukla, Pune Police Commissioner; Mr. Anil V Whabi, Director Finance, Finolex Pipes;

and Mr. Ravi Chawla, Managing Director, GOLIL. Over 400 police officers and 200 bike enthusiasts from prominent biker groups participated and supported drive.

To reinforce the importance of safety gear among riders, the two companies distributed over 1600 helmets and face masks to the Pune Police officials during the rally. The volunteers and participants of the rally sensitized locals to follow traffic rules and regulations for smooth and congestion free driving experience.

Speaking on the initiative, Ms. Ritu

Chhabria, Director-Finolex Industries Ltd. and Managing Trustee-Mukul Madhav Foundation, said, "This helmet drive has been a unique collaboration between two corporates coming together for the common social cause of encouraging safety for the Pune police force. Finolex, as an organization, has an existing association with the Pune Police, by way of extending support with the upgradation of hospital equipment at the Pune Police Hospital. This initiative is only another way of showing solidarity where required."
