

# Finolex Industries Ltd recognized for their contribution towards Support and Improvement in Quality of Education

Bhubaneswar: India's largest PVC pipes and second largest PVC resin manufacturers, Finolex Industries Ltd was honoured with Global CSR Excellence & Leadership Award at the 5th edition of Blue Dart World CSR day initiative in Mumbai recently. Finolex Industries Ltd received the award for their CSR initiative in the category of Support and Improvement in Quality of Education. Finolex Industries executes its CSR projects through the company's CSR partner Mukul Madhav Foundation. Finolex Industries was awarded with the Global Excellence Award in the category of 'Support and Improvement in Quality of Education' out of the 150 nominations received globally in this category from corporate social responsibility champions across various industries and countries. The award recognized the organization for demonstrating and creating opportunities for students in the rural areas for international quality edu-

cation and for their commitment to bring positive change to the educational health of the country. "Finolex Industries realises the need and importance of education, more so in India which still needs a lot of infusion of investment in quality education. This need and our familiarity with Ratnagiri as a geography led to the birth of Mukul Madhav Vidyalaya in the year of 2010," said Mrs. Ritu Chhabria, Director, Finolex Industries and Founder & Managing Trustee, Mukul Madhav Foundation. She added, "I am thankful to Blue Dart and Global CSR Excellence & Leadership award for this recognition. Philanthropy, Environmental Responsibility, Inclusive Growth and Effective Collaboration are the main pillars of CSR and sustainability practice at Finolex Industries and we will continue to work with local communities in various region as we have been doing for the last 25 years even before CSR became mandatory."
