Pune: Mukul Madhav Foundation (MMF) will open consulting services at Ruby Hall Health Care Services in Satara to provide overall support to children affected with cerebral palsy.

The affected children can avail benefits of a tele-rehabilitation programme and get guidance from experts of KEM Hospital in Pune via video conferencing. "This is aimed at fulfilling the shortfall of specialised doctors such as paediatric neurologists and psychologists whose guidance is essential

LENDING A HAND: Mukul Madhav Foundation distributed wheelchairs and other equipment to children with cerebral palsy.

for the treatment of these children," said Mukul Madhav Foundation's Managing Trustee Ritu Chhabria.
