

Healing Little Hearts: 22 children, youth to undergo surgeries

AS MANY as 22 children and youths in the age group 4 months to 20 years will undergo heart surgeries as part of the Healing Little Hearts Initiative of the Mukul Madhav Foundation, the CSR arm of Finolex Industries. This initiative, which is being carried out in collaboration with Healing Little Hearts Foundation, UK, and Ruby Hall Clinic, Pune, addresses a critical gap in health care. Under the programme, a team of six specialists fly down from the UK once a quarter every year to perform heart surgeries on children at Ruby Hall Clinic and also to train the local cardiac team in postoperative care. **ENS**
