‘Amrutkumbha’ a water reservoir at Wadgaon Anand near Taluka Junnar District Pune, was inaugurated at the hands of Mrs. Ritu Chhabria, Managing Trustee of Mukul Madhav Foundation and Mr. Sourabh Rao, District Collector of Pune on Sunday, April 1, 2018.

Earlier, the three villages of this area were dependent on the supply of water by tankers. Finolex Pipes identified the problem faced by the villagers and decided to help them by laying pipes across a distance of 2.5 km from the canal to fill the water reservoir ‘Amrutkumbha’. Finolex Pipes feels honoured to have got an opportunity to contribute to the ‘Jalyukta Shikar’ (water for each farm), which is one of the dream projects of Hon. Chief Minister of Maharashtra Devendraji Fadnis.

A grand function was organized at the venue wherein the entire village gathered to express their gratitude towards Finolex and Mukul Madhav Foundation. On the same occasion, Mukul Madhav Foundation has provided financial assistance to a ZP school of the same village for helping them in meeting their requirements. The successful completion of this project would not have been possible without the tireless efforts and unity of the villagers under the guidance of Mr. D. B. Walunj, Mrs. Vaishali Devkar, Mr. Datta Sakore and Mr. B. R. Mehta from Finolex.
