## FINOLEX, MUKUL MADHAV BUILD TOILETS FOR TRIBALS

**PUNE:** A village like Mahabaleshwar is one of the cleanest villages in the state and at the same time, there are a few villages in Maharashtra which don't even have toilets. Lack of toilet facilities leads to poor hygiene, especially amongst women, girls and children. In these circumstances, Finolex and Mukul Madhav Foundation have built 332 toilets and their work is significant," said Kailas Shinde, collector, Palghar district. He was speaking at the inauguration of the toilets built by Finolex and Mukul Madhav Foundation on January 28. Finolex Industries and Mukul Madhav Foundation have been instrumental in constructing the individual toilets in collaboration with Yuva Parivartan and other like-minded corporates in tribal villages.
