We received your generous donation in form of 2 BIPAP Machine for Care of Covid patient, to provide life saving support, indeed a breath of life!!!!

This is just a quick note, but it comes from my heart as we hear painfull cry of many many unknown persons begging for breath.

We all are are shaken up and efforts to help humanity was never so urgent, like never before in our lifetime.

Thank you for Your generosity. It will make an immediate difference in the life and death. 😊😊
