## **FIL/MMF along with a sub-dealer in Palanpur, Gujarat gave its support to health checkup camps conducting further treatment related to Dental and Eye.**

As our motto is to work in the society, with the society and for the society, on these lines we gave our full support to Health Check Camps with the provision of treatments for patients and workers which in turn will give us a healthy and a happy society.

197 people registered for the health checkup camp with Gujarat Multi Trade Company. FIL/MMF has pledged to offer support in further treatments related to eye and dental care to whosoever might need it. During a discussion with plumbers we got to know that no other company or organization has offered or even thought to support plumbers with health checkups. The plumbers were very grateful and mentioned that they now had more respect for FIL/MMF who went out of the way to discuss about treatments for them with sub-dealers and provided them the same free of charge.

## MUKUL MADHAV VIDYALAYA

### Happy Makarsankranti from students at Mukul Madhav Vidyalyaya

On the occasion of Makarsankranti our students at Mukul Madhav Vidyalyaya showcased this festival by their creativity in art and craft. We miss having students in school during these festivities.

We thank our expert art teachers Mr. Rushikesh Shelar and Mrs. Shamika Salvi for promoting art and craft and encouraging budding artists.

### The Moment of Calm at MMV

Mukul Madhav Vidyalyaya observed "The Moment of Calm" on 2nd February, 2022. This concept was initiated by Dada Vaswani who was the spiritual head at the Sadhu Vaswani Mission, headquartered in Pune. 191 members including the teachers and the ancillary staff along with students were a part of the momentous moment. A prayer was recited by the students of Std. IX to XII in the school, followed by silence for two minutes. "The Moment of calm" was also conducted through online sessions, for the students who are unable to come to school in the present pandemic situation.

## Mukul Madhav Vidyalaya is happy to share with you a Certificate of Appreciation received for Rain Water Harvesting.

With an aim to make students understand the importance of water conservation, rain water harvesting facility was installed at MMV in March 2021.

This system gives live demonstration to students of actual use of the water which is collected in water tanks during rainy season and used throughout the year without wasting the same. This has further helped students gain practical knowledge of rain water harvesting, its functioning and importance.

## Health Camp at Mukul Madhav Vidyalaya

As the students have started coming to school after the pandemic of COVID 19, Medical Health Checkup camp was organized at Mukul Madhav Vidyalaya especially for students of 10th and 12th std.

Since 2008, Mukul Madhav Foundation has been organizing health camps at various schools in and around Ratnagiri. The local hospitals in Ratnagiri supported with Ophthalmologists, General Physicians and Dentists.

All the norms of social distancing and hygiene precautions were adhered to during this camp.

The Medical Camp helped in identifying the health related problems which can be addressed well in time. 72 students from 10th and 12th std. were benefitted through this camp.

## Career Guidance session at Mukul Madhav Vidyalaya

We thank Prof. (Dr.) Milind Yadav, Finolex Academy of Management and Technology (FAMT), Ratnagiri for delivering a career counseling seminar at Mukul Madhav Vidyalaya to enlighten students of 12th Grade on different career opportunities available after clearing HSC board exams.

FAMT was established in 1996 to impart quality technical education at affordable cost and contribute to the industrial growth of our nation. Prof. Dr. Yadav shared an in-depth knowledge on various streams of engineering and he also discussed about the possible future career options in these streams with the students. Besides, the students were briefed on eligibility criteria for securing Engineering admissions and how to select a renowned institute for higher education in order to have a bright future.

The session was very engrossing since it provided detailed information on courses, the preparations for the same and the wide spectrum of job opportunities available in India and abroad.
