Highlights of the month included the Moment of Calm, SilverZone Olympiad, German FIT 1 Exam, multiple Career Guidance Sessions, the 4-Star Swachh Evam Harit Vidyalaya recognition, Christmas celebrations, karate and badminton achievements, and a range of creative and life-skills-based activities. We sincerely thank our teachers, parents, partners, and well-wishers for their constant encouragement and support. # Mukul Madhav Foundation

Established 1999

Mukul Madhav Vidyalaya (MMV) is more than just a school it is the embodiment of Mukul Madhav Foundation's (MMF) unwavering vision to uplift rural communities through access to quality education. Established in 2010 in the tranquil village of Golap near Ratnagiri, MMV was founded on the belief that every child, regardless of socio-economic background, deserves the right to learn, grow, and dream big.

MMF, the CSR arm of Finolex Industries, has long been committed to transformative work in healthcare, education, social welfare, skill development, and environmental sustainability. Finolex Industries has played an integral role in bringing MMV to life not just as a funding partner, but as a foundational pillar of its existence.

The land on which MMV proudly stands was a generous contribution from Finolex Industries, who also played a key role in developing the school's infrastructure and facilities. From building classrooms and laboratories to creating playgrounds, Finolex laid the physical and foundational framework for what has become a vibrant hub of education in rural Maharashtra. Their support goes well beyond construction even today, Finolex ensures the school runs smoothly by providing essential ancillary services, security personnel, and transportation for teachers, maintaining a secure, clean, and well-organized environment for learning.

Together, Finolex Industries and Mukul Madhav Foundation have nurtured MMV every step of the way offering digital learning tools, scholarships, uniforms, health check-ups, career guidance, and a range of co-curricular programs. MMV stands as a model of holistic education, where academic excellence goes hand in hand with empathy, values, and overall student well-being.

The relationship between MMF, Finolex, and MMV is a long-standing partnership built on shared values and a common mission: to empower rural youth through meaningful, accessible education. MMF works closely with the school's leadership to continually identify new areas of growth and innovation, ensuring the institution evolves with time while remaining rooted in its foundational ethos.

Now, as Mukul Madhav Vidyalaya celebrates 15 years of inspiring and educating young minds, it continues to shine anchored by the unwavering support of Finolex Industries, and driven by Mukul Madhav Foundation's commitment to nurturing responsible, confident, and compassionate citizens.

While Mukul Madhav Vidyalaya (MMV) remains one of the flagship education initiatives, it is by no means our only one. Across India, Mukul Madhav Foundation is actively involved in supporting educational infrastructure, sanitation facilities, scholarships, and holistic student support in government and low-income schools. From building classrooms and toilets, to distributing school supplies, enabling digital access, and funding higher education for deserving students, our efforts are focused on creating equitable opportunities for learning and growth regardless of geography or background.
