## COVID-19 RELIEF EFFORTS

Over the last few months, our team has been working relentlessly to support the society in the time of a global health pandemic through the support of Finolex and other amazing donors.

### Oiling the Vaccination Wheel

Continuing the COVID vaccination awareness drive under the guidance of The Governor of Gujarat which was implemented by a local NGO called Yuva Unstoppable, in partnership with FIL/MMF Industries supported a total of 18,000 beneficiaries with an incentive of **a litre of cooking oil** as a token of encouragement and appreciation for getting vaccinated.

Phase 1  
**12,000 beneficiaries** in Ahmedabad District.

Phase 2  
**6000 beneficiaries** in Junagadh

Prominent dignitaries from FIL/MMF were present for this event.

### Distributing smiles, Spreading positivity

1. FIL/MMF in collaboration with Yuva Vikash Kendra, distributed **600 dry ration kits to 11 tribal villages of Tripura** on the borders of North East India. The beneficiary and the ground implementation partner expressed their gratitude towards this event.

2. FIL/MMF reached Leh during this pandemic to support Mahabodhi International Meditation Centre (MIMC) with oxygen concentrators and other medical essential items.

During the first wave of Covid, FIL/MMF supported MIMC at Leh by providing them *financial assistance to support senior citizens.*

Through a unique initiative, Give With Dignity ration kits were distributed to *500 needy tribal families* in Leh.

During the second wave of Covid the following items had been sent to Leh & distributed on 27th August, 2021.

- 4 Oxygen Concentrators
- Medical kits comprising of 250 masks, 250 gloves, 2 thermo scanners, 2 pulse oxymeters and 300 paracetamol strips in each box.
