

To  
The Mukul Madhav Foundation  
Pune

Dear Sirs

We do not have words enough to express our appreciation and thanks for giving us pipes and fittings, at a concessional rate, for the water supply project at the Antulay Nagar leper Colony

We will send you photos of the project, as it starts getting implemented.

We also wish to thank Rotarian Yogesh Shah, for whole heartedly supporting this project

Thank you once again

Rtn. Cmde Ajay Chitnis
