

APRIL AT A GLANCE

Dear Readers,

As we step into May with renewed hope and energy, I am filled with immense pride and gratitude as I reflect on the month gone by. April was not just another chapter in our calendar—it was a celebration of compassion, collaboration, and community empowerment.

From training inmates with culinary skills at Satara Jail to inaugurating a state-of-the-art Neurosurgery Department at Sassoon Hospital, our efforts this month embraced both dignity and transformation. Each project was a testament to our belief that change begins with opportunity—whether it's a scholarship to a deserving girl student, clean drinking water in a school, or skill development behind prison walls.

We also strengthened our focus on health and well-being through mammography camps, blood donation drives, cataract screenings, and holistic support for thalassemia and dialysis patients. Our commitment to inclusive development reached the fields and villages in Maharashtra, where water conservation and physiotherapy centers are now changing lives.

None of this would be possible without the trust and support of our partners, donors, and the ever-dedicated MMF and Finolex teams. Your unwavering faith continues to propel us forward, helping us touch more lives and deepen our impact.

As we look ahead, let us carry forward the spirit of service and resilience. Together, we are building a future rooted in care, opportunity, and shared humanity.

**With heartfelt gratitude,
Warm regards,
Ritu Prakash Chhabria
Managing Trustee
Mukul Madhav Foundation**

Fast Food Training Program for Inmates at Satara Jail. 25th March, 2025

Finolex and Mukul Madhav Foundation, in collaboration with Mumbai College of Hotel Management & Catering, have organized a Fast Food Training Program for inmates at Satara Jail.

Aggreement for this initiative was signed on March 18, 2025, in the presence of Jail Superintendent Mr. Shamakant Shedge, Finolex & Mukul Madhav Foundation representative Mr. Santosh Shelar, and Mumbai Catering College representative Mr. Vinod Jadhav.

The official inauguration of the training program took place on March 24, 2025, at Satara Jail. This 10-day course will train inmates in preparing various fast-food items, including Vada Pav, Misal Pav, Ragda Puri, Pani Puri, Kachori, Samosa, Upvas Patties, Onion Bhaji, Batata Bhaji, Gobi Manchurian, Hakka Noodles, Veg Momos, Burger, Pasta, Pizza and Fried rice.

This initiative aims to rehabilitate inmates by equipping them with valuable culinary skills, helping them reintegrate into mainstream society upon release.

The inaugural event was attended by Jail Superintendent Mr. Shamakant Shedge, Senior Prison Officer Mr. Dnyaneshwar Dube and other jail administration staff were present. Representing Finolex & Mukul Madhav Foundation was Mr. Santosh Shelar, while Mumbai College of Hotel Management was represented by Mr. Vinod Jadhav.

33 prisoners have successfully attended the fast food training program.

This program marks a significant step towards empowering inmates with skills for a better future!

Learning Links Foundation for Education Enhancement Program.

25th March, 2025

Government of Meghalaya partnered with Finolex Industries Limited, Mukul Madhav Foundation, and Learning Links Foundation for Education Enhancement Program.

Shillong, Meghalaya – The Government of Meghalaya, in collaboration with Finolex Industries Limited (FIL), Mukul Madhav Foundation (MMF), and Learning Links Foundation (LLF), has announced a significant partnership to enhance the educational landscape of the state. This collaboration aims to directly benefit 2,000 children across Meghalaya through a comprehensive Education Enhancement Program.

A Letter of Intent (LOI) was officially signed between the Government of Meghalaya and the partnering organizations, formalizing the commitment to this impactful initiative. The signing ceremony took place in the presence of distinguished guests, including Mr. Swapnil Tambe, IAS, Director of the Directorate of Education, Meghalaya, and Mrs. Joseph, Secretary of the Sarva Shiksha Abhiyan (SSA), Meghalaya State, Mr. Kajal Hari Finolex Ind. Ltd and Mr. Babalu Mokale from Mukul Madhav Foundation.

The Education Enhancement Program is designed to empower students and communities by integrating advanced learning techniques, community engagement strategies, and school training programs. The initiative also emphasizes the involvement of Gram Panchayats to foster active community participation in the educational process, ensuring sustainable impact at the grassroots level.

Mr. Swapnil Tambe, IAS, emphasized the importance of collaboration between government bodies, non-governmental organizations, and corporate partners to improve educational outcomes in the state. "This initiative will help bridge educational gaps, providing children with the necessary tools and opportunities to succeed," he said.

Mrs. Joseph, Secretary SSA, expressed her support for the initiative, highlighting the government's commitment to enhancing educational standards and ensuring that every child has access to quality learning experiences.

Empowering Girls Through Education in Healthcare. 26th March, 2025

We are delighted to announce a meaningful collaboration between Mukul Madhav Foundation (MMF) and FICCI FLO Pune Chapter to support the educational aspirations of young girls at Aradhana Skills.

Through this partnership, FICCI FLO Pune Chapter has extended scholarships to 16 deserving girl students pursuing careers in healthcare through the following programs:

Diploma in Radiology

Diploma in Medical Imaging Technology

Diploma in Dialysis

Advanced Diploma in Medical Laboratory

To officially mark the beginning of this impactful collaboration, an agreement was signed in the presence of:

Ms. Pinky Rajpal, Chairperson, FICCI FLO Pune Chapter, Mr. Abhijit Nimbalkar, Founder, Aradhana Skills, Pune, Team Mukul Madhav Foundation, Students from Aradhana Skills.

Employee Engagement through Creativity. 26th March, 2025

FIL Masar Plant's employees joined hands with students to bring the "Save Water" theme to life through vibrant wall paintings — a wonderful part of our Employee Engagement Activities! Finolex Industries Limited (FIL) and Mukul Madhav Foundation (MMF), we proudly support 2,000 students across 5 schools in partnership with Learning Links Foundation (LLF) — empowering them with Digital Literacy, Adolescent Education, Spoken English, and Career Guidance Sessions. The event was made even more special with the enthusiastic participation of: Ms. Niketa Kulkari, Ms. Mital Gohil, Mr. Tasvirkumar Suthar, Mr. Kiran Solanki, Mr. Darshan, Mr. Nived, Mr. Sinanudheen and Mr. Nitul Barot from FIL Masar Plant and Teachers, students and LLF staff, who joined us — making this event a memorable one!

Convocation Ceremony, Vadodara Central Jail. 27th March, 2025

As part of the Finolex Industries Limited (FIL) and Mukul Madhav Foundation (MMF) CSR initiative, we proudly distributed Government Certified Certificates from Government ITI Tarsali, Vadodara to 80 inmates who successfully completed plumbing training at Vadodara Central Jail. This initiative, in collaboration with United Way of Baroda, has now trained two batches of inmates, equipping them with valuable skills for a fresh start post-release.

The Certification Distribution Program was graced by: Ms. Usha Rada, SP of Jail, Mr. Shastri, Principal, ITI Tarsali, Ms. Nilam, Dy. Director, United Way of Baroda, Mr. Kalpeshbhai Parmar & Mr. Nitul Barot, FIL-Masar Team Beyond Training – A Path to Livelihood This initiative goes beyond skill-building! Through the ITI Live Project, each inmate received a stipend of ₹6,500/-, ensuring immediate financial support while they learn. What makes this even more special is that the total project cost was less than the total stipend received by the inmates—a true testament to MMF's impact-driven approach!

Inmates' Voices of Change :

During the convocation, many inmates shared their heartfelt gratitude:

"This certification makes us feel valued. FIL-MMF not only provided training but also gave us a sense of dignity. With these skills, we now have a chance to earn a livelihood after release."

Water Project inaugurated at Korti Village. 27th March, 2025

The project was officially inaugurated in the esteemed presence of:

Mrs. Bhagyashree Meher, Sarpanch, Korti Village,
Mr. Zhakane, Deputy Sarpanch, local farmers,
community leaders, and dignitaries.

The villagers expressed their heartfelt gratitude to Finolex MMF and WestBerry for their valuable support in making this project a reality.

Project Overview: Korti Village, home to approximately 7,500 people, has a total landholding of 4,400 acres, with 3,200 acres under cultivation. Despite having 833 borewells and wells, the village has struggled with inadequate irrigation facilities, relying heavily on rain-fed Kharif crops. Recognizing this critical issue, the Gram Panchayat requested support for a water conservation initiative to improve water availability for agriculture and daily needs.

Inauguration of RO Water System at ITI Tarsali, Vadodara. 27th March, 2025

At Finolex Industries Limited (FIL) & Mukul Madhav Foundation (MMF), we believe that access to clean drinking water is a fundamental necessity. We were delighted to inaugurate an RO Water System at Industrial Training Institute (ITI) Tarsali, Vadodara, ensuring pure and safe drinking water for 2000+ students and staff members. ITI Tarsali is a premier Technical Knowledge Center, offering job-oriented skill training in plumbing, electrical, fitting, and more. The institute had a cooler, but the lack of purified drinking water was a major concern. Upon receiving a request from ITI Principal Mr. Shastri, FIL-MMF stepped in to provide a RO system, enhancing health and hygiene for students and faculty.

The inauguration program was attended by: Mr. Shastri, Principal, ITI Tarsali, along with faculty members and Mr. Kalpeshbhai Parmar & Mr. Nitul Barot, FIL-MMF Team Principal Mr. Shastri shared: "This RO system was a much-needed addition, especially in the summer. Thanks to FIL-MMF, our students and staff now have access to safe drinking water, ensuring their well-being."

Support provided to DMLT Students at Bel-Air Hospital. 28th March, 2025

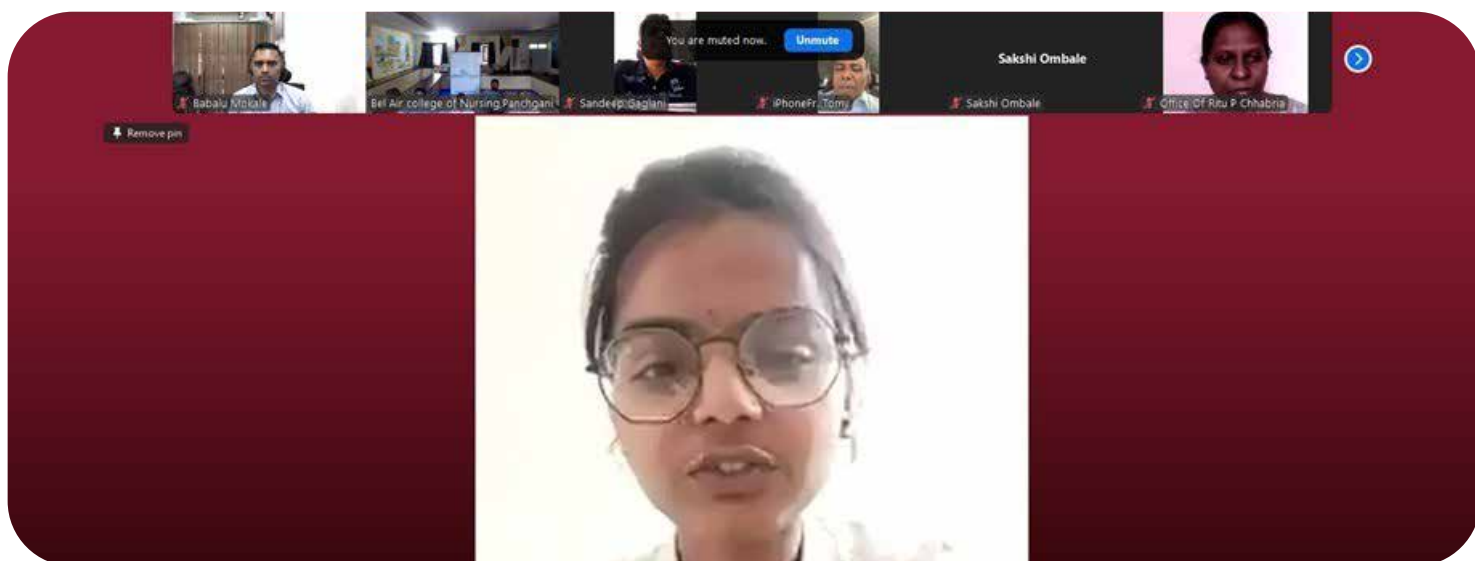

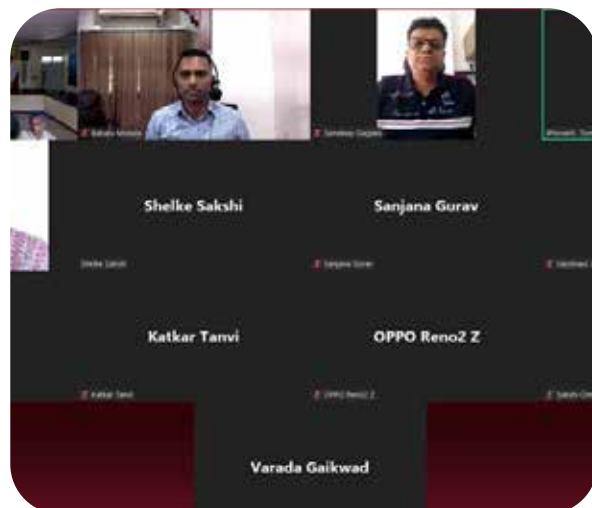

Mukul Madhav Foundation and Baerlocher India Additives Pvt. Ltd. support DMLT Students at Bel-Air Hospital.

Mukul Madhav Foundation (MMF) has always believed in the power of collaboration to create meaningful change. In partnership with like-minded individuals and corporates, MMF has extended its support to Diploma in Medical Laboratory Technology (DMLT) students at Bel-Air Hospital.

In the presence of Mr. Sandeep Galgani, Finance Head – India, Baerlocher India Additives Pvt. Ltd., Fr. Tommy, Bel-Air Hospital, and the MMF team, a formal agreement was signed between Bel-Air Hospital and Mukul Madhav Foundation to provide scholarships to 15 deserving DMLT girl students.

With the generous funding support from Baerlocher India Additives Pvt. Ltd., MMF identified and selected underprivileged students at Bel-Air Hospital, ensuring they receive the necessary financial assistance to pursue their DMLT course.

Mukul Madhav Foundation is immensely grateful to Baerlocher India Additives Pvt. Ltd. for their unwavering support in empowering these young women and enabling them to build a brighter future in the healthcare sector.

Cataract Screening Camp. 4th April, 2025

Finolex Industries Ltd, in collaboration with its CSR partner Mukul Madhav Foundation, inaugurated an ophthalmic clinic at Gatha Mandir in Dehu Gaon in 2019, supported by Sassoon General Hospital. The clinic's activities were paused due to the pandemic but resumed on March 23, 2022, with awareness sessions conducted in the village to inform residents of the monthly OPD timings.

Since resuming operations, the clinic has been conducting over 30 screenings per month and providing free cataract surgeries at Sassoon Hospital. To date, 940 screenings have been completed. The screenings diagnose senior citizens with conditions such as cataract, pterygium, refractive errors, and other infections, with all treatments provided at no cost at Sassoon Hospital.

On 2nd April 2025, a total of 19 patients were screened.

Thalassemia Meet Organized by Jankalyan Blood Bank. 5th April, 2025

On April 5th, 2025, Jankalyan Blood Bank organized a comprehensive Thalassemia Meet, bringing together representatives from across Maharashtra. The event witnessed enthusiastic participation from various districts including Nashik, Solapur, Jalgaon, Mumbai, Pune, Satara, and many more. Over 80 representatives from different NGOs and organizations working in the thalassemia space came together to share their work and experiences.

Esteemed doctors working in the field of thalassemia also attended and contributed significantly to the event. Presentations were delivered by Dr. Chinmay, Dr. Nita Munshi, Dr. Liza, and others, focusing on advancements and treatment strategies for thalassemia.

As representatives of FIL/MMF, we proudly presented our ongoing initiatives in thalassemia care: Since 2018, we have been supporting children with filters and essential medicines.

We have reached and supported over 300 children in collaboration with The Wishing Factory, Thalassemia Society – Pune Chapter and Bharati Hospital. In 2023, we expanded our focus to thalassemia prevention and awareness, conducting diabetic awareness and prevention sessions. So far, we have conducted awareness sessions in 20 colleges, screening over 4,000 students for thalassemia traits. The event served as a valuable platform for networking, knowledge sharing, and reinforcing our shared commitment to eradicating thalassemia.

Blood Donation and Health Check Up Camp for Truck Drivers. 8th and 15th April, 2025

On the Occasion of World Health Day Finolex Industries Ltd., in collaboration with its CSR partner Mukul Madhav Foundation, organized a Free Health Check-up Camp dedicated to the well-being of truck drivers, Finolex employees, and contract labourers. The camp offered a wide range of services including: Oral Cancer Screening with PSA tests, Eye check-ups, Dental check-ups, Blood Pressure and Sugar level testing. This initiative was made possible with the support of our trusted medical partners: TGH Onco-life Cancer Hospital, Dhabade, Pioneer Hospital, Somatane (for Dental, BP, and Sugar check-ups), H. V. Desai Eye Hospital, Pune, Inlaks and Budhrani Hospital, Pune.

Impact at a Glance:

109 Truck Drivers screened

107 Blood Donors donated their blood

This camp is one of the many initiatives under our comprehensive healthcare programs aimed at ensuring accessible and preventive healthcare for all. We remain committed to building healthier communities through consistent efforts and meaningful partnerships.

Inauguration of the Drinking Water Pipeline Project at SAMPARC Bhambarde School and Bal Aasha Ghar, Nandgaon. 11th April, 2025

This impactful initiative was made possible with the generous support of Finolex Industries Ltd. and our CSR partner, the Mukul Madhav Foundation

The inauguration took place in the presence of:

- Mr. Yogesh Aprukar, Senior Sales Officer, Finolex Industries Ltd.
- Mr. Anuj Singh CEO, SAMPARC
- SAMPARC staff and Mr. Akshay Choudhari and Jitendra Jadhav representatives from Mukul Madhav Foundation and other staff member.

With access to clean and safe drinking water now ensured, this project will greatly enhance the health and well-being of over 347 students and 46 staff at the campus.

Inaugurated the Neurosurgery Department at Sassoon General Hospital, Pune. 15th April, 2025

Finolex Industries Limited (FIL) and the Mukul Madhav Foundation (MMF) have proudly partnered with Sassoon General Hospital since 2011, steadfastly supporting various initiatives in patient care and medical education. In 2017, this collaboration was significantly expanded with the establishment of a 59-bed NICU, an Endoscopy Department, three patient waiting areas, Liver and Dental Departments, a refurbished student library, and a dedicated Ophthalmology conference room. FIL and MMF have also conducted ophthalmology screening camps in urban areas like Dehu Gaon, organized training programs for doctors and nurses, provided essential staff support to the NICU, and maintained yearly cleanliness drives in patient waiting areas. Additionally, FIL/MMF has extended annual support to the Palkhi Camp, ensuring medical screening of pilgrims. During the COVID-19 pandemic, the organizations acted swiftly and responsibly by donating ventilators, consumables, and other critical medical equipment. All services across supported departments are offered completely free of cost, with over 5,000 patients benefiting from high-quality, life-saving care. The hospital has ensured efficient data and equipment management throughout this journey. In response to an urgent request from the Neurology Department, FIL and MMF have now extended their support to the Neurosurgery Department. The inauguration of the newly supported facilities took place on 15th April 2025, in memory of Smt. Mohini and Shri Pralhad P. Chhabria. The event was graced by the presence of Dr. Eknath Pawar (Dean, B.J. Medical College), Dr. Anand Katkar (Honorary Consultant, Neurosurgery Department), Dr. Jaykumar Gunjkar (HOD, Neurosurgery Department), Mr. Pradeep Vedula (President, Sales & Marketing Finolex Industries Ltd), Dr. D.V. Iyer (Secretary, Finolex Industries Ltd.), Mr. Chandan Verma (CFO, Finolex Industries Limited), Mr. Sachin Kulkarni and Ms. Yasmin Shaikh from the MMF team. Dean Dr. Pawar and attending doctors expressed their heartfelt gratitude to FIL and MMF for their continued commitment. They noted that the new support to the Neurosurgery Department will significantly enhance the hospital's capacity to treat patients and perform critical surgeries, bringing hope and healing to many more lives.

Inauguration of New CP Center at Vaduj. 16th April, 2025

A new Cerebral Palsy (CP) Center was inaugurated at Vaduj in Satara district through the joint efforts of Mukul Madhav Foundation and Finolex marking ten years of impactful work in the region.

The event was graced by Khataw Taluka Education Officer Mrs. Vibhute, Education Extension Officer, Mrs. Gaikwad, Taluka Coordinator of Sarva Shiksha Abhiyan, Mr. Ajit Gund, Mr. Raut, Mrs. Raut from the D-Care Center, and other special educators from SSA. From Finolex, Mr. Agrawal, Mr. Abhishek Chougule, and Mr. Vaibhav Kulkarni were present, along with Vaduj distributor Mr. Vijay Jagdale, retailer Mr. Mane, and Mr. Manish Shah from Haritkranti, Koregaon.

Dr. Namrata Kadam, Head of the Physiotherapy Department at Krishna Hospital, along with seven physiotherapists, also attended and supported the camp.

As part of the inauguration, 27 children with disabilities were assessed. Parents expressed deep gratitude to Finolex and Mukul Madhav Foundation for starting a physiotherapy center in a remote area like Vaduj, noting that it would greatly benefit children who have had limited access to healthcare until now.

Celebrating New Beginnings with Dignity and Love. 20th April, 2025

On 20th April 2025, the Bariya Samaj organized a heartwarming Samuhik Vivah for 31 couples from underprivileged communities in Padra Block, near Finolex Industries Masar Plant.

With over 5000+ attendees, including the local MLA, MP, and Sarpanchs of Padra Block, the event was filled with joy and blessings.

Responding to a special request from the organizers and understanding the couples' basic needs, Finolex Industries Limited and Mukul Madhav Foundation, gifted 31 double beds to the newlyweds — a gesture to support their fresh start with comfort and dignity.

This tradition of support over the years reflects our long-standing relationship with the community:

•**2022: 25 Pressure Cookers**

•**2023: 43 Steel Container Sets (6-piece)**

•**2024: 44 Double Beds**

•**2025: 31 Double Beds**

The President of Bariya Samaj conveyed deep gratitude, saying the entire community feels blessed and supported by the company and its leadership.

Mammography camp. 22nd to 25th April, 2025

A mammography camp was conducted by Mukul Madhav Foundation and Finolex Industries Limited in collaboration with Bharati Hospital where a total of 23 screenings and testing were done. Tests included Gynaecologists' Consultancy, Pap Smear, Mammography, Sono Mammography, CBC (Complete Blood Count), HIV, Dietician Consultation, Blood Pressure, Height and Weight Measurement. This is a monthly camp for women over the age of 35. This month 25 women police constables being involved in the mammography camp. From January 2024 to April 2025 a total of 1052 screenings have been conducted.

Every drop saves lives: Blood Donation Camp. 25th- 26th April, 2025

On 25th April at the Masar Plant, and on 25th and 26th April at the FIL Ratnagiri OHC, Mukul Madhav Vidyalaya, and Finolex Phase 2 Colony, a Blood Donation Camp was successfully organized! This impactful initiative was led by Finolex Industries Limited (FIL) and Mukul Madhav Foundation (MMF), in collaboration with Dhvani Blood Center, Vadodara, and Vaibhavi Laxmi Blood Bank, Ratnagiri.

We are thrilled to share that the camp witnessed enthusiastic participation from FIL employees, casual workers, security staff, MMV school teachers, and members of the sales team.

Together, we collected an impressive 151 units of blood!

Each donor was honored with a certificate and a special gift as a token of appreciation.

We're even happier to share that these blood units will help Thalassemia, Sick Cell, and other needy patients.

Blood Donation Camp, Ratangiri. 25th April, 2025

Blood Donation Camp Organised by Finolex Industries and Mukul Madhav Foundation

A Blood Donation Camp was successfully organized by Finolex Industries and Mukul Madhav Foundation at Finolex OHC as well as Mukul Madhav Vidyalaya in collaboration with Vaibhavi Laxmi Blood Bank on the 25th and 26th of April.

The inauguration ceremony took place today at the Finolex Occupational Health Center (OHC). The event was graced by the presence of Dr. Anirudha Athalye (District Health Officer), Mr. Rambabu Sanka, Mr. Satyabrata Nayak, representatives from the Finolex Kamgar Union, and members of the Phase 3 Colony Ladies Club.

Dr. Athalye addressed the gathering, encouraging everyone to actively participate in the camp to ensure the collection of maximum blood units. He spoke about the health benefits of blood donation and appreciated the efforts of Finolex Industries and Mukul Madhav Foundation for organizing the event and supporting a noble cause.

The camp commenced smoothly and received an encouraging response, particularly from the Women's Club of Phase 3 Colony.

Blood Donation Camp, Gujarat . 25th April, 2025

A Blood Donation Camp was successfully organized at the FIL-Masar Plant.

This impactful initiative was led by Finolex Industries Limited (FIL) and Mukul Madhav Foundation (MMF), in collaboration with Dhvani Blood Center, Vadodara.

The camp saw enthusiastic participation from FIL employees, casual workers, security staff, and members of the sales team.

Together, an impressive 33 units of blood was collected. To honor these generous contributions, each donor received a certificate and a gift as a token of appreciation. A special thank you to Dr. Kalpana Patel from Dhvani Blood Bank for her heartfelt words and for partnering with FIL and MMF to make this camp a success.

Water Conservation Project, Shelgaon. 26th April, 2025

The inauguration ceremony of watershed development project at Shelgaon village, Karmala Taluka, Solapur District, was held on April 26, 2025. This project, jointly undertaken by Mukul Madhav Foundation and Finolex, includes the deepening and widening of the local stream and the construction of deep Continuous Contour Trenches (CCT) in the nearby elevated grazing lands.

The event began with a traditional coconut-breaking ceremony to mark the auspicious beginning of the work. Present at the inauguration were the Village Sarpanch, Mr. Atmaram Veer, Gram Panchayat Member, Mr. Vikas Veer, and numerous villagers.

Speaking at the event, Mr. Vikas Veer highlighted the benefits of the project, stating, "The initiative will significantly increase the water storage capacity within Shelgaon's limits by several lakh liters. The deepening and widening of the stream will not only prevent soil erosion but will also generate fertile agricultural land from the removed silt, bringing new areas under cultivation. This work will help to bring more than 150-acre new land under irrigation. Additionally, the deep CCT work will help raise groundwater levels, positively impacting wells and borewells across the village. Overall, these efforts will contribute to increased agricultural productivity and improved livelihoods for farmers."

The villagers of Shelgaon have pledged their full support to ensure the smooth execution of the project, including offering voluntary labor (shramdaan) wherever needed.

In a show of gratitude, the villagers extended their heartfelt thanks to Finolex and Mukul Madhav Foundation for their commitment to improving the water resources and agricultural prospects of the region.

Water Conservation Project, Ravgaon, Solapur District. 26th April, 2025

On April 26, 2025, the inauguration of a watershed development project was held at Ravgaon in Karmala Taluka, Solapur District. The project involves deepening and widening the Bangar stream, a major watercourse in Ravgaon. Last year, under the initiative of the Mukul Madhav Foundation and Finolex, deepening and widening work had already been successfully carried out along the Bangar stream between Dhagadwadi and Waghmare Vasti.

The program was formally inaugurated with a coconut-breaking ceremony. Present at the event were the village Sarpanch, Mr. Sandeep Shelke, Mr. Bhaskar Shelke, local farmers, and villagers.

This year, further work will be undertaken to deepen and widen the remaining stretch of the Bangar stream — from the fields of Mr. Laxman Shinde to those of Mr. Patole — with support from the Mukul Madhav Foundation. This project is expected to benefit over 250 acres of agricultural land. Additionally, it will help improve the water levels in nearby wells and borewells. Villagers reported that the work carried out last year had a positive impact, with water retention in wells being significantly improved. Village leaders, including Sarpanch Mr. Sandeep Shelke, stated that the availability of water has contributed to increased agricultural productivity. They further expressed that the initiatives led by the Mukul Madhav Foundation are creating sustainable water resources for the village and greatly benefiting the farming community. The villagers conveyed their gratitude towards the Foundation and expressed hope for continued support in future projects as well.

TB SUPPORT (Johns Hopkins Project)

Over the past two years, we at Finolex Industries Limited and Mukul Madhav Foundation FIL MMF have been in talks with Gupta-Klinsky India Institute (GKII) to support TB free schools in India. Our focus has been to ensure a meaningful and sustainable contribution to TB care, particularly in Satara, in the coming financial year. Currently, GKII are awaiting final permissions from the state government to begin the implementation of this program in Satara. Meanwhile, we are pleased to share that Dr. Amita Gupta, Florence Sabin, Professor of Infectious Diseases, Director of the Division of Infectious Diseases, and Faculty Co-Chair at GKII, Dr. Vidya Mave, Dr. Sandeep Chavan, Neetisha Borse, visited MMF office to update on the project along with Saurabh Dhanorkar, MD Finolex Industries, Anil Whabi Former MD Finolex Industries, met with Mr. Babalu, Ms. Shalom from MMF. The meeting provided an overview of the initiative and discuss the TB Free Schools Initiative (TFSI). This will be a valuable opportunity for us to align on goals, understand the scope of the project, and plan the way forward.
