

Dear Friends and Well-Wishers,

At Mukul Madhav Foundation, CSR partner of Finolex Industries Limited, March focused on strengthening education, advancing healthcare, and supporting communities across regions.

We improved school infrastructure through safe drinking water, sanitation, and better learning spaces. Healthcare efforts included vaccination drives, screenings, and nutrition support programmes. Our rural initiatives such as water conservation, clean energy solutions, and community infrastructure continued to enhance livelihoods and quality of life.

We also expanded support for differently abled individuals and strengthened skill development and livelihood opportunities for women and youth.

Each step reflects our commitment to creating meaningful and lasting impact.

With warm regards,
Ritu Prakash Chhabria
Managing Trustee, Mukul Madhav Foundation
