Page 1

Dear friends and well-wishers,

As we reflect on the month gone by, I am filled with immense gratitude for every partnership, every community, and every individual who has walked this journey with us. July has been a month of meaningful action, where compassion translated into tangible impact across education, healthcare, sanitation, livelihood, and community welfare initiatives.

From supporting students through scholarships and innovation labs, to strengthening healthcare access for children, women, and underserved communities, each initiative reaffirmed our belief that lasting change begins with consistent care and collective effort. Whether it was enabling access to clean drinking water, supporting dignified healthcare, strengthening school infrastructure, or standing beside vulnerable communities through nutrition and livelihood support, every effort carried forward a shared purpose to create opportunities, restore dignity, and build hope.

What continues to inspire us most is the spirit of resilience we witness every day in students striving for a better future, families overcoming challenges, healthcare workers serving tirelessly, and communities coming together to uplift one another.

I extend my heartfelt gratitude to all our implementation partners, supporters, volunteers, and teams whose dedication makes this work possible. Together, we are not only responding to immediate needs but also nurturing stronger, more compassionate communities for the future.

**Warm regards,
Ritu Prakash Chhabria,
Managing Trustee,
Mukul Madhav Foundation**

DONORS OF THE MONTH

SPECTRUM: EDUCATION

STRENGTHENING MUNICIPAL EDUCATION THROUGH PARTNERSHIP

Activity: Educo, a public charitable trust and non-profit organisation, has been committed to providing 21st-century quality education to around 800 underprivileged students at Saibaba Path School, Parel, Mumbai, through a Public-Private Partnership with the Municipal Corporation of Mumbai for the past 15 years.

As part of this partnership, Finolex Industries Limited, through its CSR partner Mukul Madhav Foundation, is supporting the salaries of six teachers for 11 months.

The initiative aims to strengthen education delivery in municipal schools by supporting teacher training and pedagogical transformation, enabling improved classroom practices and better student learning outcomes through evidence-based solutions.

Impact: The partnership will strengthen the quality of education for approximately 800 underprivileged students, while supporting qualified teachers and enhancing classroom learning. By improving teaching practices and strengthening pedagogical approaches, the initiative will contribute to better learning outcomes and a stronger municipal school education system in Mumbai.

Implementation Partner: EDUCO

Beneficiaries: 800 students

Location: Parel, Mumbai, Maharashtra

Date: July 1, 2026

EMPOWERING CHILDREN FOR A SAFER DIGITAL FUTURE

Activity: ActionAid Association, in collaboration with Mukul Madhav Foundation and Finolex Industries Limited, with the support of Bhopal Police, organised a Cyber Safety Awareness Session and Street Play for children under the JAGRATI Campaign in Bhopal.

The programme focused on building awareness around the growing risks of cybercrime, particularly gaming fraud, fake gaming links, online scams, and unsafe digital practices. Police officials and facilitators engaged with the children, helping them recognise common online threats and understand how to stay safe in the digital world.

A street play brought real-life cybercrime scenarios to life, making the session engaging and relatable while helping children understand the potential consequences of unsafe online behaviour.

Location: Bhopal, Madhya Pradesh

Date: July 6, 2026

Impact: The initiative strengthened children's awareness of cyber safety and responsible digital behaviour, enabling them to identify online risks, make informed decisions, and adopt safer internet practices. Through a combination of expert guidance and interactive learning, the programme is helping nurture a more aware, confident, and digitally responsible generation.

Implementation Partner: ActionAid Association

Beneficiaries: 300 students

STRENGTHENING EDUCATION THROUGH A 14-YEAR PARTNERSHIP

Activity: Mukul Madhav Foundation signed its annual agreement with Panchgani Municipal Corporation Schools, reaffirming its commitment to strengthening the quality of education in government schools.

The agreement was signed in the presence of Mr. Pawar and Mr. Hirve, Principals of Municipal Corporation School No. 1 – Boys and School No. 2 – Girls, along with Mr. Sachin Kulkarni and Mr. Shubham Bhegade from Mukul Madhav Foundation.

Mukul Madhav Foundation has been supporting these schools since 2012, marking 14 years of continuous efforts towards strengthening the government education system and creating better learning opportunities for students.

For the Academic Year 2026–27, Mukul Madhav Foundation will support the salaries of five teachers, benefiting 363 students—158 boys and 205 girls—across both schools.

Impact: The initiative will strengthen the quality of education across two Panchgani Municipal Corporation schools by supporting five teachers and 363 students, enabling improved classroom learning and greater access to quality education for children in the government school system.

Implementation Partner: Municipal Corporation School

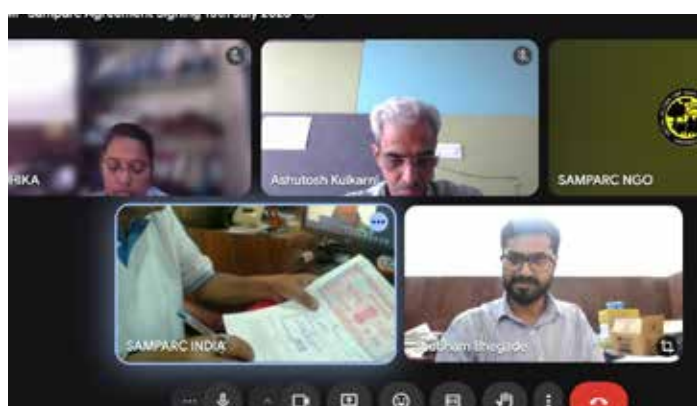

Beneficiaries: 363 students

Location: Panchgani, Satara, Maharashtra

Date: July 13, 2026

INVESTING IN EDUCATION, EMPOWERING YOUNG GIRLS

Location: Bhaje, Lonavla, Maharashtra

Date: July 13, 2026

Activity: An agreement was signed on 13 July 2026 to provide scholarship support to 50 girls at SAMPARC Balgram, reaffirming the commitment towards ensuring continued access to quality education for orphaned and underprivileged girl children.

Mukul Madhav Foundation has been supporting SAMPARC since 2019 through scholarships and infrastructure development initiatives, building a strong partnership over the past seven years. SAMPARC provides holistic care and quality education to orphaned and underprivileged girls, helping them build brighter and more secure futures.

Impact: The scholarship support will enable 50 orphaned and underprivileged girls to continue their education, supporting their academic growth, confidence, and future opportunities through sustained educational assistance.

Implementation Partner: SAMPARC

Beneficiaries: 50 girls

CREATING JOYFUL SPACES FOR EARLY LEARNING

Activity: As part of the first phase of the initiative, seven Anganwadis were successfully renovated to create safe, child-friendly, and conducive learning environments for young children. Building on this effort, the second phase extended support to seven additional Anganwadis and schools through the provision of play equipment, educational learning materials, and essential infrastructure, further strengthening early childhood education.

Play equipment was handed over to Kolambe No. 4 Anganwadi and Pawas Bazar Peth Anganwadi.

The newly provided equipment will encourage play-based learning, physical and cognitive development, social interaction, and creativity, while creating a joyful and engaging environment that supports the holistic growth of young children.

Impact: The initiative is strengthening early childhood education by creating safe and engaging spaces where children can learn through play. The new equipment supports holistic development, social interaction, physical activity, and joyful learning, helping build a stronger foundation for children's early years.

Beneficiaries: 17 students

Location: Golap, Wainagani, Kolambe & Pawas, Ratnagiri, Maharashtra

Date: July 13 and 14, 2026

ENABLING INCLUSIVE LEARNING THROUGH BETTER RESOURCES

Activity: Finolex Industries Limited along with its CSR partner Mukul Madhav Foundation, donated a multifunction printer to Government Seth Anandilal Poddar Deaf Senior Secondary School, Jaipur.

The printer will support the timely preparation of study materials, examination papers, worksheets, and essential documents, strengthening the school's academic and administrative capabilities.

The programme was attended by the school's Principal, Coordinator, representatives from Finolex Industries Limited and Mukul Madhav Foundation, along with teaching staff.

Impact: The initiative will benefit over 580 deaf and hard-of-hearing students by enabling a more efficient, inclusive, and resource-rich learning environment and supporting the overall quality of education.

Beneficiaries: 580 students

Location: Jaipur, Rajasthan

Date: July 23, 2026

SPECTRUM: RURAL DEVELOPMENT

A DIGNIFIED SPACE FOR LAST RITES

Location: Masar, Padra Taluka, Gujarat

Date: July 6, 2026

Activity: Finolex Industries Limited, through its CSR partner Mukul Madhav Foundation, proudly inaugurated and handed over the upgraded Masar Village Crematorium in Padra Taluka, Gujarat—the fourth crematorium developed to support rural communities with dignified and improved infrastructure.

The upgraded facility features a covered seating area, washrooms, compound fencing, firewood storage, and solar lighting, creating a clean, safe, and respectful environment for families during last rites.

To mark the occasion, a Blood Donation Camp was organised in collaboration with Dhvani Blood Bank and the local community. Villagers came forward enthusiastically to donate blood, reflecting a strong spirit of compassion and community service.

Impact: The project has transformed the crematorium into a clean, safe, and dignified community facility, ensuring respectful last rites while improving hygiene, safety, and convenience for families.

Implementation Partner: Masar Gram Panchayat & SVADES

Beneficiaries: 3,500 villagers

SPECTRUM: SKILLS AND LIVELIHOOD

CREATING PATHWAYS TO EMPOWERMENT AND INCLUSION

Location: Ratnagiri, Maharashtra

Date: July 8, 2026

Activity: As part of its commitment to rehabilitation and sustainable livelihood promotion, Finolex Industries Limited, together with its CSR partner, Mukul Madhav Foundation, in collaboration with the Ratnagiri District Jail Authority and Jan Shikshan Sansthan, Ratnagiri, inaugurated an 80-day Plumbing Skill Development Programme for inmates at Ratnagiri District Jail.

The programme aims to equip inmates with practical plumbing skills that will enhance their employability, encourage self-reliance, and support their successful reintegration into society after their release.

By investing in vocational training, Finolex Industries Limited and Mukul Madhav Foundation continue to create pathways for rehabilitation, empowering inmates with industry-relevant skills that foster confidence, dignity, and opportunities for a productive future.

Impact: The training program aims to equip prisoners with practical plumbing skills, enhancing their employability and self-reliance after release. Participants who successfully complete the course will receive a Skill India Certificate, enabling them to pursue employment and self-employment opportunities.

Implementation Partner: Ratnagiri Jail Authority & Jan Shikshan Sansthan, Ratnagiri

Beneficiaries: Inmates of Ratnagiri Jail

CULTIVATING NEW LIVELIHOODS FOR RURAL WOMEN

Location: Golap, Gavkhadi, Kasop & Waingani, Ratnagiri, Maharashtra

Date: July 13 and 14, 2026

Activity: Under the Konkan Krushi Shakti Project, a Marigold Sapling Distribution Programme was conducted in Kasop and Waingani villages to promote floriculture as an additional livelihood opportunity for rural women.

A total of 36 women beneficiaries received 4,000 marigold saplings for cultivation across 30 gunta of land. Each beneficiary received Yellow Star and Orange Kalkatta varieties to support diversified cultivation. They also received fertiliser kits along with the saplings.

The women were also trained in scientific cultivation practices, including raised-bed preparation, appropriate spacing, nutrient application, and post-planting care to improve productivity and support income generation.

Impact: The initiative empowered 36 rural women to adopt marigold cultivation as an additional source of livelihood, creating opportunities for increased income while equipping them with the technical knowledge and improved practices needed for sustainable floriculture.

Implementation Partner: BAIF

Beneficiaries: 36 women

EMPOWERING WOMEN THROUGH HEALTHCARE SKILLS

Location: Chennai, Tamil Nadu

Date: July 23, 2026

Activity: On 23 July 2026, Mukul Madhav Foundation signed an agreement with RMD Academy of Health, Chennai and FICCI FLO Chennai Chapter to support a healthcare skilling programme for 30 women.

Supported by Finolex Industries Limited as the major funder, the programme will equip women with industry-relevant healthcare skills, build professional confidence, and create pathways to employment and entrepreneurship.

The agreement signing brought together representatives from all three organisations, marking a shared commitment to creating sustainable livelihood opportunities for women.

Impact: The initiative will empower 30 women with healthcare skills, enhancing employability, confidence, and access to sustainable livelihood opportunities.

Implementation Partner: RMD Academy of Health, Chennai and FICCI FLO Chennai

Beneficiaries: 30 women

EMPOWERING FARMERS THROUGH SUSTAINABLE AGRIBUSINESS

Location: Haveli and Daund, Pune, Maharashtra

Date: July 24, 2026

Activity: UDYAMITA is an agribusiness entrepreneurship initiative supporting 30 farmers in Haveli and Daund Talukas, Pune District, to build sustainable and resilient livelihoods.

Implemented by BAIF from its Urulikanchan centre, the programme promotes modern and climate-resilient agricultural practices, including vegetable grafting, integrated cropping systems, fodder production, and value addition. Through hands-on training and technical guidance, farmers will be supported to improve productivity, reduce post-harvest losses, and strengthen market linkages.

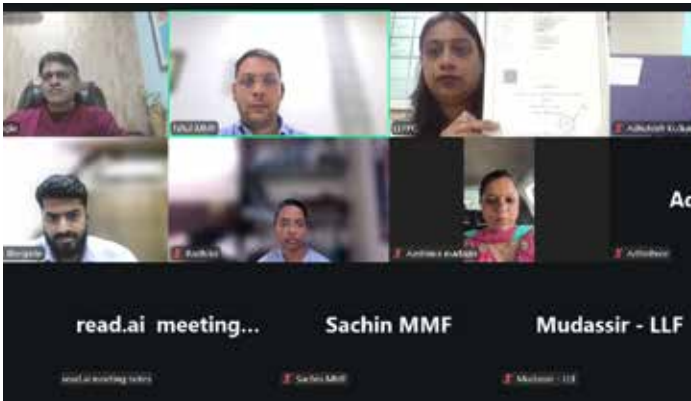

The initiative is a collaborative effort between Finolex Industries Limited, Mukul Madhav Foundation, and FICCI FLO PUNE Chapter, with BAIF as the implementation partner.

Impact: The initiative will empower 30 farmers with agribusiness skills and sustainable agricultural practices, helping improve farm productivity, increase incomes, and build stronger, more resilient farming communities.

Implementation Partner: BAIF & FICCI FLO PUNE

Beneficiaries: 30 farmers

PREPARING STUDENTS FOR THE FUTURE OF WORK

Location: Padra, Gujarat

Date: July 31, 2026

Activity: The Future Skills Programme is being implemented to equip 2,000 students with future-ready skills through training in career awareness, communication, digital literacy, Generative AI, financial literacy, and vocational education.

The programme also focuses on social-emotional learning, workplace readiness, and informed career planning, helping students prepare for higher education and future employment opportunities.

Impact: The initiative will empower 2,000 students with essential life skills, digital and AI competencies, and industry-relevant vocational skills, strengthening their confidence, employability, and ability to make informed career choices in an evolving job market.

Implementation Partner: Learning Link Foundation

Beneficiaries: 2,000 students

SPECTRUM: AWARDS AND ACCOLADES

RECOGNISING IMPACT, BUILDING PARTNERSHIPS

Activity: Mukul Madhav Foundation was honoured by Innovecture Pvt. Ltd. for its work and impact across India. After learning about the Foundation's initiatives through online research, Innovecture invited the team to its Town Hall to formally recognise its efforts towards creating meaningful social impact.

The Mukul Madhav Foundation team also had the opportunity to address the gathering and share the impact of its initiatives across the country. Innovecture's leadership expressed its interest in building a long-term partnership and exploring opportunities for future collaboration.

Impact: The recognition marks the beginning of a meaningful partnership between Mukul Madhav Foundation and Innovecture Pvt. Ltd. The contribution will support cancer patients, while the partnership opens avenues for future collaborations focused on creating sustainable and lasting social impact.

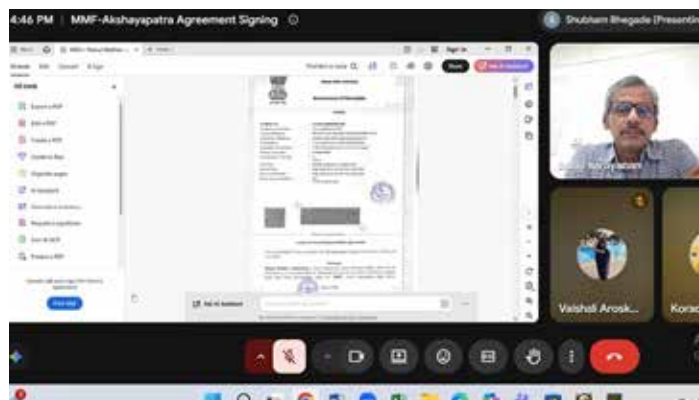

Location: Pune, Maharashtra

Date: July 8, 2026

Implementation Partner: Innovecture Pvt. Ltd.

SPECTRUM: HUNGER AND POVERTY

NOURISHING YOUNG MINDS, STRENGTHENING FUTURES

Location: Visakhapatnam, Andhra Pradesh

Date: July 22, 2026

Activity: An agreement was signed with Akshaya Patra Foundation to provide mid-day meal support to 239 students across two government schools in Visakhapatnam, Andhra Pradesh.

Through this initiative, Finolex Industries Limited, in partnership with Mukul Madhav Foundation, aims to strengthen child nutrition while encouraging regular school participation and supporting the overall well-being of students from underserved communities.

By ensuring access to nutritious meals during the school day, the initiative seeks to create a stronger foundation for children to learn, participate, and thrive.

Impact: The initiative will provide nutritious mid-day meals to 239 students, supporting improved nutrition, better school attendance, enhanced learning outcomes, and the overall health and well-being of children from underserved communities.

Implementation Partner: Akshaya Patra Foundation

Beneficiaries: 239 students

SPECTRUM: ACCESS TO CLEAN WATER AND SANITATION

SAFE WATER, HEALTHIER LEARNING

Activity: To ensure access to safe and clean drinking water, an RO water purifier was installed at the ZP School in Bhoke.

The facility will provide students with purified drinking water throughout the school day, supporting their health and well-being.

In addition, socks were distributed to students to support their basic needs, hygiene, and comfort during school hours.

Impact: The initiative has improved access to safe drinking water, reduced the risk of water-borne illnesses, and strengthened students' health, hygiene, and comfort, while enhancing essential school infrastructure.

Beneficiaries: 50 students

Location: Ratnagiri, Maharashtra

Date: July 25, 2026

Location: Kutch, Gujarat

Date: July 30, 2026

Activity: Under the Safe Drinking Water and Community Development Initiative, infrastructure and community-based interventions were undertaken to improve access to safe drinking water and strengthen rural resilience.

The damaged water storage tank at Pabusari Vandh was repaired, a handpump installed, and barbed-wire fencing provided, ensuring year-round safe drinking water for around 30 families. A roof rainwater harvesting structure was also constructed at Nagpur Vandh Primary School, benefiting 80 students and supporting safe drinking water, sanitation, hygiene, and the mid-day meal programme.

To further ease the burden of water collection, 10 families in each hamlet received water wheels. Drinking Water Groups were formed for community-led maintenance, regular water quality testing was undertaken, and 80 families were supported in obtaining essential government entitlement documents to access welfare schemes.

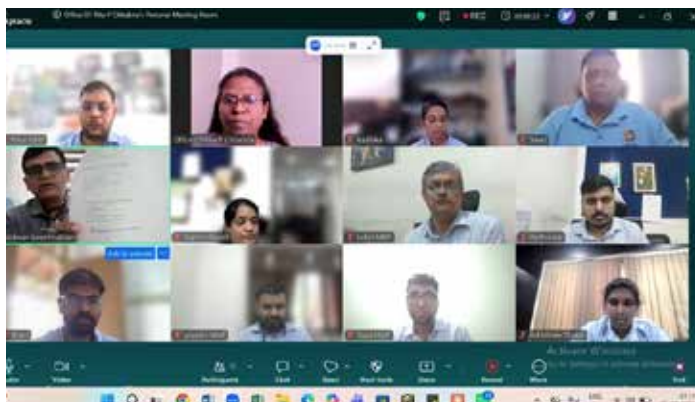

Impact: The initiative has strengthened water security for rural families and schoolchildren, reduced the burden of water collection, and improved health, sanitation, and hygiene. By promoting community-led water management and access to government entitlements, it is contributing to greater resilience and improved quality of life in underserved communities.

Implementation Partner: Samerth Charitable Trust

Beneficiaries: Households: 241/ People: 1,039.

SPECTRUM: HEALTHCARE

ADVANCING RESEARCH FOR BETTER UNDERSTANDING OF TYPE 1 DIABETES

Location: Coimbatore, Tamil Nadu

Date: July 29, 2026

Activity: For the first time, Finolex Industries Limited, along with its CSR partner Mukul Madhav Foundation, has entered into a research-focused partnership with Idhayangal Charitable Trust for a three-year study on non-autoimmune Type 1 diabetes among children and adolescents in Tamil Nadu.

The study will involve 3,000 children with Type 1 diabetes and explore the role of genetic factors, gut microbiota, and environmental chemicals in the disease. The initial phase will support the establishment of a biobank, followed by sample collection, testing, and further research.

Impact: The three-year study will generate valuable scientific evidence on Type 1 diabetes while strengthening research infrastructure through the biobank. The findings could contribute to better understanding, diagnosis, treatment, and long-term care for children living with the condition.

Implementation Partner: Idhayangal Charitable Trust

Beneficiaries: 3,000 children

NOURISHING RECOVERY, SUPPORTING TB PATIENTS

Location: Ratnagiri, Maharashtra

Date: July 21, 2026

Activity: Finolex Industries Limited along with its CSR partner Mukul Madhav Foundation, signed an agreement with the Ratnagiri District TB Department to implement the Nutrition Kit Support Programme for TB Patients.

Under the programme, 600 nutrition ration kits will be provided every month from July 2026 to March 2027 to TB patients registered under the District TB Programme across nine locations—Ratnagiri, Rajapur, Kamathe, Dapoli, Chiplun, Devrukh, Kalambani, Lanja, and Chikhali. The initiative aims to improve patients' nutritional status and immunity, supporting treatment adherence and recovery.

The agreement signing was attended by representatives from Finolex Industries Limited, Mukul Madhav Foundation, the Ratnagiri District TB Department, and Agashe Stores.

Impact: The programme will provide sustained nutritional support to 600 TB patients, helping strengthen their nutrition and immunity while supporting their treatment journey and recovery.

Beneficiaries: 600 TB patients across 9 TB Units/PHCs

NOURISHING HOPE, SUPPORTING TB RECOVERY

Location: Chaksu, Jaipur, Rajasthan

Date: July 22, 2026

Activity: Under the TB Mukht Bharat Abhiyan and Ni-Kshay Mitra Programme, Finolex Industries Limited along with its CSR partner Mukul Madhav Foundation, distributed free nutrition ration kits to TB patients at the Sub-District Hospital, Chaksu, Jaipur.

The nutrition kits were provided to strengthen patients' nutritional status and support faster recovery alongside their treatment.

The programme was attended by Dr. Rituraj Meena, Chief Medical Officer; Dr. Shyam Sundar Dayama, Block Chief Medical Officer; Mr. Nitin Khandelwal, STS; TB health staff; ASHA workers; and other dignitaries.

Impact: The initiative provided 28 TB patients with essential nutritional support, helping strengthen their health and support their recovery journey alongside medical treatment.

Beneficiaries: 28 TB patients

NOURISHING HEALTH, SUPPORTING DIGNITY

Location: Jaipur, Rajasthan

Date: July 22, 2026

Activity: Mukul Madhav Foundation, with the support of Finolex Industries Limited, distributed nutrition kits to 34 HIV-positive women at the CARE AND SUPPORT CENTRE (PLHIV Home), Modi Dharamshala, Jaipur.

The initiative aimed to provide essential nutritional support and contribute to the health and well-being of the beneficiaries.

Impact: The distribution provided 34 women with nutritional support, helping promote better health, well-being, and dignity among vulnerable communities.

Beneficiaries: 34 HIV-positive women

RESTORING SMILES, TRANSFORMING LIVES

Location: Guwahati, Assam

Date: July 23, 2026

Activity: To commemorate the Foundation Day of Mukul Madhav Foundation, an agreement was signed with Mission Smile to support 50 free cleft surgeries in Guwahati.

Since 2023, with the support of Finolex Industries Limited, individual donors, and other corporate partners, Mukul Madhav Foundation has helped enable 95 life-changing cleft surgeries, giving children the opportunity to eat, speak, smile, and live with renewed confidence.

The agreement was signed virtually in the presence of representatives from Finolex Industries Limited, Mukul Madhav Foundation, and Mission Smile.

Impact: The initiative will provide 50 children with access to safe, timely, and quality cleft surgery, helping restore smiles, improve their quality of life, and build confidence for a brighter future.

Beneficiaries: 50 children requiring cleft surgery

STRENGTHENING NEONATAL CARE AT SASSOON GENERAL

Location: Pune, Maharashtra

Date: July 23, 2026

Activity: Reinforcing its commitment to strengthening public healthcare, Finolex Industries Limited, through its CSR partner Mukul Madhav Foundation, inaugurated a state-of-the-art 2D Echocardiography (2D Echo) Machine at the Neonatal Intensive Care Unit (NICU) of Sassoon General Hospital, Pune.

The inauguration was graced by Mrs. Mamata Sindhutai Sapkal, along with Dr. Eknath Pawar, Dean of Sassoon General Hospital; Dr. Yallappa Yadav, Superintendent; and Dr. Kinikar, Head of the NICU. Representatives from Finolex Industries Limited and Mukul Madhav Foundation were also present.

The partnership has supported the NICU since 2017, transforming it into a modern 59-bed facility and strengthening it through medical equipment, skilled neonatologists, staff training, essential consumables, and ongoing infrastructure upgrades.

The NICU provides comprehensive neonatal care, including ROP and hearing screening, congenital heart disease screening, a Human Milk Bank, and advanced life-support facilities. The new 2D Echo Machine will enable early diagnosis of congenital heart defects, supporting timely treatment and better outcomes.

Impact: The initiative will strengthen advanced neonatal care for over 150 newborns every month, enabling early cardiac diagnosis and timely intervention while further enhancing the quality of life-saving healthcare available to critically ill and premature babies.

Beneficiaries: Over 150 newborns every month

SPECTRUM: ENVIRONMENT SUSTAINABILITY

GROWING GREEN, GROWING RESILIENCE

Activity: Mukul Madhav Foundation, with the support of Finolex Industries Limited, collaborated with siblings Rohit and Rakshita to plant 450 native Indian trees at Gondavale Budruk as part of its ongoing environmental conservation efforts.

The initiative focuses on restoring green cover and strengthening the region's natural ecosystem, particularly in a drought-prone area.

Impact: The plantation drive will help conserve biodiversity, improve soil and water conservation, support groundwater recharge, and strengthen climate resilience, creating a healthier and greener environment for future generations.

Implementation Partner: Environmental volunteers Rohit & Rakshita.

Beneficiaries: 450 Plants

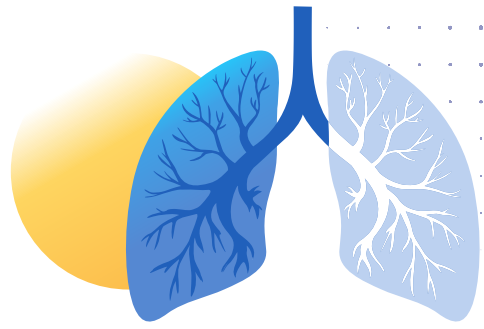

Location: Satara, Maharashtra

Date: July 31, 2026
