

Dear friends and well-wishers,

As we look back on the month, I am filled with gratitude and pride for the collective efforts that continue to create meaningful impact across communities. This month has been marked by several important partnerships, renewed commitments, and initiatives that reaffirm our shared vision of building healthier, stronger, and more resilient communities.

From extending support to children living with Type 1 diabetes and enabling access to cataract surgeries, to promoting breast health awareness and organizing blood donation drives, our healthcare initiatives continued to touch lives across geographies. At the same time, our efforts in providing safe drinking water, supporting water conservation projects, and ensuring relief for drought-affected communities reinforced our commitment to addressing basic yet critical needs.

We also witnessed encouraging progress in the area of livelihoods and women's empowerment. Through collaborations focused on women-led enterprises, rural entrepreneurship, and sustainable income generation, we are helping create pathways towards economic independence and long-term development. Our rural development and animal welfare initiatives further strengthened community resilience while promoting sustainable practices.

Every achievement highlighted in this newsletter is the result of the unwavering support of our donors, implementation partners, volunteers, and community stakeholders. Their dedication and belief in our mission continue to inspire us to reach further and serve better.

As we move forward, we remain committed to creating opportunities, strengthening dignity, and bringing positive change to the lives of those who need it most. Thank you for being an integral part of this journey and for helping us transform compassion into action.

**Warm regards,
Ritu Prakash Chhabria,
Managing Trustee,
Mukul Madhav Foundation**

DONATION OF CEILING FANS

Location: Pune, Maharashtra

Date: April 29, 2026

Activity: On 29th April 2026, with the support of Mrs. Sangeeta Ahuja, Finolex Industries, under its CSR (Corporate Social Responsibility) initiative in partnership with Mukul Madhav Foundation, provided 4 ceiling fans to Shantiban Old Age Home. This support was extended with the objective of ensuring greater comfort for the residents during the summer season.

The beneficiaries expressed their heartfelt gratitude to Finolex Industries, Sangeeta Ahuja, and Mukul Madhav Foundation for their thoughtful contribution and continued support.

Impact: The initiative improved living conditions for 24 residents of Shantiban Old Age Home and enhanced comfort, wellbeing, and day-to-day ease for the elderly residents, reflecting continued care and commitment towards their quality of life.

Beneficiaries: 24 residents

MANGO DISTRIBUTION FOR CHILDREN AT DIVYAROSHNI TRUST SCHOOL

Activity: Finolex Industries Limited and Mukul Madhav Foundation distributed mangoes to children studying at Divyaroshni Trust School, bringing smiles and joy to the young beneficiaries.

The school supports children from labourer and slum communities residing in the industrial zone of the Makarpura area in Vadodara and works towards providing them with access to education and care.

The children were delighted to receive the mangoes and enthusiastically participated in the activity.

Impact: The activity brought happiness and excitement to children from labourer and slum communities, many of whom rarely get the opportunity to enjoy seasonal fruits like mangoes due to rising costs. The initiative not only fulfilled a small nutritional and emotional need of the children but also strengthened the sense of care, inclusion, and community support among underserved families.

Beneficiaries: 75 children

Location: Makarpura, Vadodara, Gujarat

Date: May 10, 2026

SUSTAINED FOOD SUPPORT ENHANCES PATIENT CARE ACROSS 30 VILLAGES

Location: Chitral Village, Masar, Gujarat

Date: May 18, 2026

Activity: Finolex Industries Limited and Mukul Madhav Foundation are glad to continue meaningful support for food to 250–300 patients and their family members every month who attend the eye check-up camps at Chitral Village, near Finolex Industries Limited Masar Plant, Gujarat. As part of this ongoing initiative, May, 2026 will be the fourth month of extending ration support to help provide freshly prepared meals for all visitors at the camp. The eye camps are organised by Shree Sanket Charitable Trust, with medical support from Sankara Eye Hospital.

With our support, the Trust is able to manage food arrangements more smoothly each month, ensuring comfort, care, and dignity for every patient and accompanying family member. Through this sustained effort, the initiative continues to benefit people from nearly 30 surrounding villages, strengthening access to healthcare and reflecting a shared commitment towards community care, compassion, and dignity for all Project Impact.

Impact: The continued ration support helped ensure nutritious and freshly prepared meals for 250–300 patients and their family members attending the monthly eye check-up camps at Chitral Village. The initiative reduced operational challenges for the organising Trust and enhanced the overall comfort and care provided to beneficiaries.

Implementation Partner: Sanket Trust

Beneficiaries: 250–300 patients

SPECTRUM: ANIMAL WELFARE

ENSURING BETTER ANIMAL WELFARE THROUGH ONGOING CATTLE FEED

Location: Vadodara, Gujarat

Date: May 1, 2026

Activity: Finolex Industries Limited and Mukul Madhav Foundation renewed their support for providing cattle feed to 85 cows and 22 calves at Lakulishdham. We will continue to ensure the regular care and well-being of the animals, including feeding, healthcare, and other related activities.

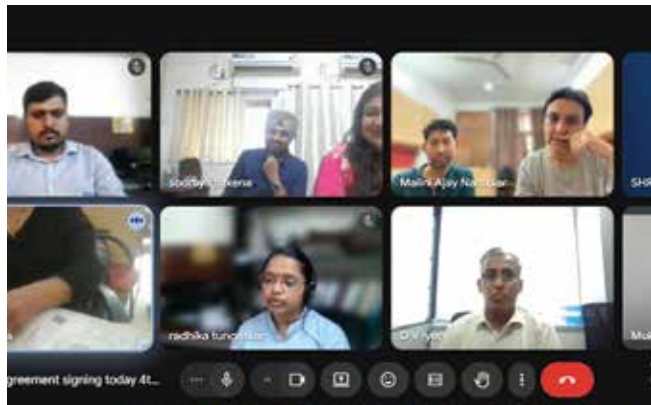

Impact: The continued support for cattle feed at Lakulishdham will help ensure the health, nutrition, and overall well-being of 85 cows and 22 calves. The initiative will contribute to improved animal care standards, support the organization's day-to-day operations, and promote the sustainable management of the gaushala.

Implementation Partner: Lakulish Sanatan Sanskriti Prabodhan Abhiyan, Lakulishdham

Beneficiaries: 85 cows and 22 calves

SPECTRUM: SKILLS AND LIVELIHOOD

EMPOWERING WOMEN SURVIVORS

Activity: Finolex Industries Limited and Mukul Madhav Foundation continue their commitment towards empowering women survivors of violence and marginalised women in Bhopal and Indore through sustainable livelihood opportunities, collective enterprises, and market-linked economic development initiatives.

On 4th May 2026, a virtual agreement signing ceremony was held for the renewal of the project under its third phase titled “**POWER Hubs: Building Women-Led Branded Enterprises and Livelihood Pathways in Madhya Pradesh.**” The initiative aims to strengthen women-led enterprises while promoting long-term economic independence, leadership, and social inclusion.

Impact: The project is expected to enhance economic independence and sustainable livelihood opportunities for women survivors of violence and marginalised women through women-led collective enterprises, market integration, and entrepreneurship support. It will strengthen employability, leadership, and business management capabilities while improving access to branding and market opportunities.

Location: Bhopal and Indore,
Madhya Pradesh

Date: May 4, 2026

Implementation Partner: Action Aid Association

Beneficiaries: 200 individuals

GENERATING SUSTAINABLE LIVELIHOODS

Location: Nimgaon, Solapur, Maharashtra

Date: May 23, 2026

Activity: An agreement was successfully signed to provide an advanced Raisin Packaging Machine to the Vitthal Ganga Women FPO under the joint initiative of Finolex Industries and Mukul Madhav Foundation.

Under this initiative, Finolex Industries Limited and Mukul Madhav Foundation will extend financial support of approximately ₹13 lakh for the packaging machine. The project is expected to generate sustainable livelihood opportunities for nearly 35–40 rural women directly, while also benefiting many more women from nearby villages through allied agricultural and packaging-related activities.

The initiative has already connected more than 150 women farmers and is expected to expand significantly in the coming years.

Impact: The initiative will strengthen women-led rural entrepreneurship by creating sustainable livelihood opportunities for 35–40 women directly and connecting over 150 women farmers through value-added agricultural activities, thereby enhancing income generation, confidence, and economic empowerment.

Implementation Partner: Vitthal Ganga Women FPO

Beneficiaries: 150 Women

ADVANCING WOMEN-LED ENTERPRISES THROUGH INTEGRATED LIVELIHOOD

Location: Multiple locations across Silvassa Cluster, Dadra and Nagar Haveli.

Date: May 30, 2026

Activity: Finolex Industries Limited and its CSR partner, Mukul Madhav Foundation, formally signed the project agreement with the implementing partner, BAIF Development Research Foundation for the implementation of the “Promoting Women-Centric Farm and Non-Farm Livelihoods – Phase IV” project. The initiative aims to strengthen sustainable livelihood opportunities for rural women through a combination of farm and non-farm interventions. Key project components include the establishment of Agro-Input Supply Centres to improve access to quality agricultural inputs, development of Vegetable Hubs to enhance market linkages and income generation, promotion of Commercial Compost Units to encourage sustainable agricultural practices, and Mushroom Cluster Development to create additional livelihood opportunities for women.

Impact: The project is expected to enhance income-generation opportunities for rural women, strengthen local entrepreneurship, improve access to agricultural services and markets, and promote sustainable livelihood practices. It will contribute to greater economic empowerment, self-reliance, and improved quality of life for women and their families in the project area.

Implementation Partner: BAIF Development Research Foundation

Beneficiaries: 1500 Women Farmers

SPECTRUM: HEALTHCARE

BLOOD DONATION CAMP

Activity: In remembrance of the Founder of Finolex Group, P. P. Chhabria, Finolex Industries Limited in association with Mukul Madhav Foundation organised Blood Donation Camps across all Finolex Industries Limited locations. The initiative witnessed enthusiastic participation from employees, workers, well-wishers, and nearby villagers, resulting in the successful collection of 242 units of blood.

The collection included 30 units at the Finolex Industries Limited Baner Office, 40 units at the Urse Plant, 25 units at the Badhalwadi Plant, 45 units at the Ratnagiri Plant, and 102 units at the Masar Plant.

The collected blood has been submitted to respective blood banks and will support children suffering from Thalassemia and Sickle Cell Disease, along with other patients in need of critical care and emergency support.

Impact: The blood donation drives successfully collected 242 units of blood, strengthening the availability of life-saving blood support for patients in need. The initiative will benefit children suffering from Thalassemia and Sickle Cell Disease, along with other critical patients requiring emergency care. The campaign also encouraged community participation and reinforced the spirit of social responsibility and humanitarian support among employees, workers, and local communities.

Beneficiaries: 242 individuals

Location: Finolex Industries Limited Plants across Maharashtra

Date: May 05, 2026

MAMMOGRAPHY CAMP

Location: Pune, Maharashtra

Date: May 15, 2026

Activity: A Mammography Awareness Session was organized to educate women about the importance of breast health, early detection of breast cancer, and the role of regular screening in improving treatment outcomes. The session was conducted in collaboration with Yaardi Foundation and Bharati Hospital, bringing together healthcare experts and participants for an informative and interactive discussion.

The program focused on increasing awareness about breast cancer risk factors, recognizing early warning signs and symptoms, understanding the mammography screening process, and addressing common myths and misconceptions surrounding breast health.

Impact: The session contributed to building awareness, promoting the importance of early detection and preventive healthcare practices.

Implementation Partner: Bharati Hospital

Beneficiaries: 60 women

SUPPORTING CHILDREN WITH TYPE-1 DIABETES

Location: Jalgaon, Maharashtra

Date: May 26, 2026

Activity: An agreement was signed with Harmocare Institute, Jalgaon, to continue its support for children living with Type 1 diabetes. Since 2024, we have been supporting 95 children with Type 1 diabetes, and this initiative has now been extended for the coming years.

Finolex Industries Limited and Mukul Madhav Foundation, are extending support to children with Type 1 diabetes across Pune, Jalgaon, Daund in Maharashtra, Chennai in Tamil Nadu, Assam, and Gujarat. Alongside these initiatives, we are also contributing to research efforts in the field.

Impact: This initiative strengthens access to continuous care and support for children living with Type 1 diabetes, helping them manage their condition with greater confidence and improved health outcomes. By extending assistance to beneficiaries across multiple states, the program promotes awareness, encourages timely medical intervention, and contributes to enhancing the overall quality of life for children.

Implementation Partner: Harmocare

Beneficiaries: 95 childrens

SUPPORT FOR CATARACT SURGERIES ACROSS MAHARASHTRA

Location: Hadapsar, Pune, Maharashtra

Date: May 29, 2026

Activity: Finolex Industries Limited and Mukul Madhav Foundation, signed the agreement with its implementing partner, HV Desai Eye Hospital, for continued support towards cataract treatment and vision restoration services. The initiative will support 30 adult cataract surgeries per month, along with 5 pediatric cataract surgeries all over the state of Maharashtra, enabling beneficiaries to access timely and quality eye care.

The project aims to reduce avoidable blindness and visual impairment among underserved communities by providing access to essential surgical interventions and follow-up care. Through this support, beneficiaries will have the opportunity to regain vision, improve their quality of life, and enhance their independence.

Impact: The partnership reflects a shared commitment towards improving access to quality healthcare services and restoring sight for individuals in need, thereby creating a lasting impact on their lives and communities.

Implementation Partner: HV Desai Eye Hospital

Beneficiaries: 360 adults and 60 children

SPECTRUM: DIFFERENTLY ABLED

CONTINUED SUPPORT TOWARDS NEURODEVELOPMENTAL AND PHYSIOTHERAPY SERVICES FOR CHILDREN WITH CEREBRAL PALSY.

Activity: Finolex Industries Limited and Mukul Madhav Foundation, formally signed the agreement with its implementing partner Novi Survat for continued support towards neurodevelopmental and physiotherapy services for children with Cerebral Palsy.

Currently, 33 beneficiaries are receiving therapy support under the initiative. Therapy sessions are conducted twice a week, with each session lasting between 45 minutes to 1 hour. The program is supported by one full-time and one part-time therapist. Transportation support has also been arranged for beneficiaries traveling from distant locations to ensure uninterrupted access to therapy services, which is important in helping children attend regular sessions consistently.

Impact: This initiative marks another step towards building a more inclusive and supportive ecosystem for children with Cerebral Palsy in Goa, ensuring continued access to essential therapy and rehabilitation services.

Location: Goa

Date: May 29, 2026

Implementation Partner: Novi Survat

Beneficiaries: 33 children

SPECTRUM: ACCESS TO CLEAN AND SAFE WATER

ENSURING HYDRATION AND DIGNITY: WATER DISPENSER INSTALLED FOR HIV PATIENTS

Activity: A special activity was organized at the PLHIV Home for the installation of a water dispenser. The dispenser was inaugurated with a traditional garland offering and handed over to the CSC team for regular use. On this occasion, the Project Director conveyed heartfelt thanks to the Managing Trustee for her generous support and reiterated gratitude for ensuring the availability of cold drinking water during the summer season, which will provide comfort and care to PLHIV patients.

Impact: The installation of the water dispenser at the PLHIV Home significantly improved access to safe and cold drinking water for HIV patients, especially during the summer season. The initiative enhanced the comfort, hygiene, and overall well-being of the residents by ensuring a continuous supply of clean drinking water within the facility.

Location: Jaipur, Rajasthan

Date: May 15, 2026

Implementation Partner: Positive Women Network of Rajasthan (PWNRR)

Beneficiaries: 300 – 500 patients per month

WATER CONSERVATION PROJECT

Location: Beed, Maharashtra

Date: May 25, 2026

Activity: Finolex Industries Limited, Mukul Madhav Foundation, and Bharatiya Jain Sanghatana (BJS) formally came together for the Sautada Tal-Patoda District - Beed water conservation project. This agreement symbolizes our collective commitment towards environmental sustainability and community development.

The Sautada project is the first step in this collaborative journey, and we strongly believe that this partnership will continue to grow in the years ahead, creating a larger population-level impact through dedicated efforts in water conservation and rural transformation.

Impact: This initiative marks a significant step towards addressing water scarcity and drought challenges in the Marathwada region through sustainable water conservation efforts and community-driven rural development.

Implementation Partner: Bharatiya Jain Sanghatana (BJS)

Beneficiaries: 4500 villagers

WATER TANKER INITIATIVE BRINGS RELIEF TO COMMUNITIES FACING WATER SHORTAGES IN RATNAGIRI

Activity: Water tanker support activity was conducted in Ratnagiri to address the water needs of local communities. The initiative was implemented in collaboration with Finolex Industries Limited and Mukul Madhav Foundation.

The activity provided daily water tanker support to ensure access to safe water for household consumption and daily usage.

A total of approximately 90 families, covering around 600–700 individuals, across Golap villages including Katalwadi, Parshuram Nagar, Dongrewadi, Hanuman Wadi, and Rohidas Wadi, were benefited.

This intervention helped in improving water availability and supported the essential daily needs of the community.

Impact: The activity significantly improved access to water for the beneficiary villages by ensuring regular water tanker supply. It helped meet essential daily household water needs of approximately 90 families (600–700 individuals), thereby reducing water scarcity and improving living conditions in Golap.

Beneficiaries: 90 Families (600-700 individuals)

Location: Golap, Ratnagiri, Maharashtra

Date: May 26, 2026

SPECTRUM: RURAL DEVELOPMENT

RURAL DEVELOPMENT PROJECT – PHASE III

Location: Padra, Vadodara, Gujarat

Date: May 30, 2026

Activity: Finolex Industries Limited and Mukul Madhav Foundation, formally signed the project agreement with the implementing partner, BAIF Development Research Foundation for the implementation of the Rural Development Project – Phase III in Padra Block, Vadodara District, Gujarat.

The project aims to strengthen rural livelihoods through livestock development initiatives, including artificial insemination services, breed improvement, and animal healthcare support. It also focuses on feed and fodder promotion, capacity building of farmers, and women's empowerment through skill development and participation in livelihood activities.

Impact: The agreement marks the beginning of a collaborative effort to enhance rural livelihoods, improve livestock productivity, strengthen farmers' capacities, and promote women's economic empowerment. The project is expected to contribute to sustainable income generation and improved socio-economic well-being of rural households in the Padra Block region.

Implementation Partner: BAIF Development Research Foundation

Beneficiaries: 100 Farmers and 800 livestock

SPECTRUM: AWARDS AND ACCOLADES

HURUN INDIA PHILANTHROPY SUMMIT 2026

Activity: Mukul Madhav Foundation is honoured to be recognized at the Hurun India Philanthropy Summit 2026, a platform that celebrates individuals and organisations driving meaningful social change.

During the summit, **Mukul Madhav Foundation**, represented by **Mr. Gurnani**, was conferred with the prestigious **2026 Philanthropy Leadership Award** by Hurun India. The award acknowledges sustained efforts towards social development, community welfare, and creating long-term positive impact.

For us, this recognition is both an encouragement and a moment of reflection. It reaffirms the importance of staying deeply connected to communities, listening to their needs, and continuing to work with dedication, compassion, and purpose.

We extend our sincere gratitude to Hurun India and EdelGive for this honour and encouragement. We remain committed to advancing our mission and contributing meaningfully to the lives of the communities we serve.
